

even a matter of seconds to get over to the side of the road. I would like to have this body recognize the long safety history of this person and to have a copy of the resolution sent to her son, Mr. Roger Holthaus of Omaha, Nebraska. I ask for your support for the resolution.

SPEAKER BARRETT: Thank you. Discussion, Senator Smith.

SENATOR SMITH: Thank you, Mr. Speaker. Mrs. Holthaus was a constituent from my district. She and her husband had had a business there for a long, long time in Hastings, Nebraska, retired, of course, but was a resident of Hastings and I rise with Senator Marsh to ask your support in this resolution. Thank you.

SPEAKER BARRETT: Thank you. Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, I just want Senator Marsh and Senator Smith to know why I am passing on this resolution. I'm not going to vote against it because we pass resolutions for everything, but this one is a little too difficult for me to support because it's almost like saying if somebody does that which is normal to be done, then they get recognition from the Legislature. So if the body passes this one, I hope it doesn't establish a precedent for this type of thing. And, Senator Smith and Senator Marsh, I hope you all aren't offended by what I'm saying because...I'm going to stop.

SPEAKER BARRETT: Any other discussion? Seeing none, those in favor of the adoption of LR 305 please vote aye, opposed nay. Have you all voted? Record.

CLERK: 21 ayes, 0 nays, Mr. President, on the adoption of LR 305.

SPEAKER BARRETT: LR 305 is adopted. LR 306, Mr. Clerk.

CLERK: Mr. President, LR 306 by Senator Marsh, on page 1207, acknowledges the efforts of the custodial personnel for the State Capitol and for their contributions to the smooth operation of the Legislature.

SPEAKER BARRETT: Senator Marsh.
